Cold Weather Transportation

NAMI Animal Care & Handling Conference

Bryan Hay – Senior Manager Hog Logistics & Animal Welfare
Cold Weather Transport Checklist

- Trailer Condition
- Bedding
- Density
- Ventilation
Cold Weather Transport Checklist

- Trailer Condition
- Clean and Dry
Cold Weather Transport Checklist

• Bedding
  • Manage moisture and provide insulation
  • Straw > Shavings

HealthiStraw™
Clean. Consistent. Convenient.
Cold Weather Transport Checklist

• **Density**
  • Reduce density by at least 10% in cold weather
  • Do not put more on to “keep them warm”
Cold Weather Transport Checklist

- **Ventilation**
  - Just enough airflow to manage humidity levels
  - Adjust dependent on weather conditions/movement
